**T**his has been a long hot summer. We are ready for football! Hunter, our oldest grandson is playing for Briarcrest and JoJo (Jordan) is 7 and playing flag football for Briarcrest. Rebecca our oldest granddaughter is at Mississippi State and wants us to come cheer on the Bull Dogs. Rachel is a Pom Cheerleader for Evangelical Christian School and we want to help support her school. With all of these games we want to keep speaking and telling all about Jesus.

We had our Sweet Jesus Retreat and Ken Whitten blessed our hearts as usual and Daniel Crews sang his heart out. Mike Spradlin shared Saturday night and Sunday morning. He spoke on the word "And" from 1 Thessalonians 1:1. He is the only one we know that can preach a whole sermon on one word, and still have you

discover and learn so much.

The Pop Andrews Golf Classic was once again a huge success. Coach Gus Malzahn (Auburn) challenged the men and women and truly was one of the top favorite speakers we have had to speak. Kristi, his wife, and Nancy hit it off. She has become one of Nancy's favorite people. This couple loves the Lord and they have and will impact many lives.

Summer has been hot and not real busy. We are praying that the Lord will open doors and that we will stay in the center of His will. Thank you for loving, praying, and for supporting our ministry.

Love in Jesus

## A Very Special Letter

Dad, I was reading my devotional today and it was about you. It was out of Proverbs 14:26. "In the fear of the Lord there is strong confidence, and his children will have a place of refuge."

Dad, by living your life with confidence in the Lord and how you honored Him in front of us boys on a daily basis for the last 38 years has made a huge impact on me. I always felt safe and secure and our house was a place of refuge. Now I know why. You have been such an example of how to trust God and how to show confidence in Jesus. I am trying to follow that example and live with that honor and confidence in front of my boys.

Thank you for leaving that legacy and heritage to us. I pray that I will be able to leave the example that you set for me to Hunter and Jordan. I love you Dad and I am so very proud of you and your consistent stand for God.

Love your son,

talents. We are so grateful that you are willing to share the wisdom He has given you with the high school students.

Praise The Lord, Hallelujah!!! God truly visited us at this conference and anointed it in ways we could not have imagined. After the opening message God seemed to give this conference its own personality. I saw men of all races come together in a spirit of love, brotherhood, and unity, embracing each other under the Banner of Christ. God used

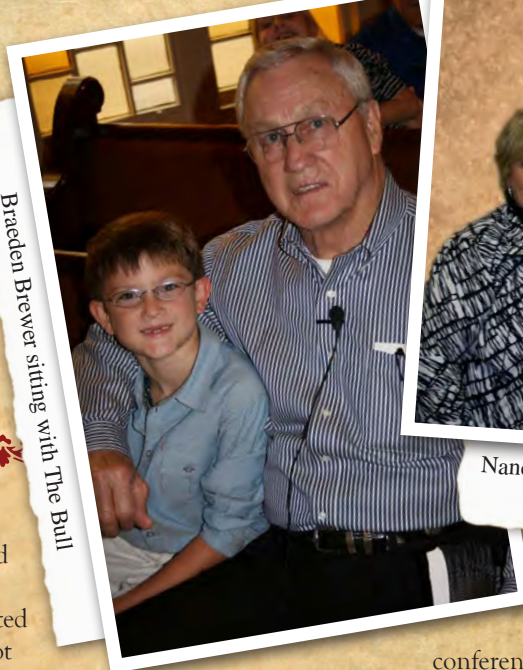

Walt's message, "Cast your Net" on Saturday morning to establish the conference's unifying character. In fact, "throw/cast your net" almost became a spiritual mantra as men verbalized it all through the conference.

God truly blessed this conference and used you in a powerful way to bring a message of hope, encouragement and Salvation to the men in Millington. Thank you for being available and yielded to His call in your life. The 13 men that prayed to receive Christ in your seminar will be ETERNALLY grateful! I am indeed a blessed man to be able to minister alongside of men like you!

Your strong sensitivity to people's deepest needs and passionate evangelistic gift are such an inspiration and encouragement to me.

conference.

What an awesome sight to see scores of men, at the altar, stacking their stones, committing themselves to the Lordship of Jesus Christ. Thanks again for your friendship and I pray God's richest blessing on you and Nancy and all your family. I pray you will minister with us at the next Maximum Man Conference.

Dear John and Nancy,

Thank you for your faithfulness and passion as you continually preach and teach the word of God to all the nations. All who were in attendance during the Saturday afternoon women's conference and the Saturday evening service at the York Rescue Mission were encouraged and inspired by your teachings and messages. Three women made decisions during the women's conference and six men gave their life to Jesus Christ at the Rescue Mission.

It was a blessing to watch God work through you. Sonya and I value and appreciate the friendship we share with you which began on that great day we meet in August of 1981. We marvel at your energy as you continue to go wherever He leads and preach His word, thank you for the example you set.

Temple Baptist Church was blessed as they heard a great testimony of how God transformed your life, John. The power of God and His great love were evident as three decisions were made during your morning session with our Sunday school groups. The

morning worship service provided an opportunity once again for the power of God to be on display as four people made decisions to give their life to Jesus Christ.

It is always exciting when the "Bull" comes to town! We look forward to hearing about the great things God has planned for you and the lives He is changing because of your obedience and faithfulness. We hope to see you soon, blessings to you and your family.

Peace,  
Lou and Sonya

Dear John,

I hope this letter finds you doing well. I enjoyed meeting you in Wynn with the Lindsey's a few months ago. Thank you so much for the copy of your book. You definitely have a powerful story! I praise the Lord for the work He has done in your life! Your book has not only given me a new passion for my own walk with the Lord, but I plan to pass it on to many of my friends that need Jesus.

I came to know Christ at a young age. However, I experienced a time of rebellion, especially as I played baseball in college. Sadly, on a smaller scale, my story was much like yours. I am very proud to say that I have since rededicated my life to Jesus! He is the Lord of my life as well as the Lord of my beautiful wife and daughter's. It has been heavy on my heart for some time to witness to many of the men that I played ball with. Maybe it was a lack of courage, or being ashamed

of my past, but I have to this point failed to meet God's call to share His love, and work in my life with many of the men that have seen the very worst in me. The Lord has used your story to not only give me a great "in" with them, but also to help instill courage to share His love. Our God is an AWESOME GOD, and I look forward to sharing with you stories of what I am sure will be many of my friends giving their lives to Jesus.

I trust that the Lord will continue to use your story to work in people's lives for Him. Thank you for sharing with me. I wish you and your family all the best.

Your brother in Christ,

On April 16th it was our great privilege to have John Bramlett as our annual Men's Wild game Supper speaker at Community Bible church in Cut Off, Louisiana. John spoke to 200 Cajun men in our community and gave a wonderful testimony of how God had completely changed his life. John gave a very clear presentation of the Gospel and 24 men raised their hands indicating they had received Christ as their Savior! Thank You John for blessing our community with your message!

John and Nancy,

Thank you for your warm loving thoughts and prayers. It meant a lot to us that you came to the hospital and visitation and a special thank you for being able to carry out Mrs. Pat's wishes with being the officiate. Mrs. Pat spoke of you both often and loved you dearly. She told us stories of your past and of Nancy standing firm in God's love and word on her husband's salvation. God is good.

Words alone really cannot share what and how much you both meant to Pat and Jerry. Thank you for your sermon and asking for salvation at the end. After all, God's grace and love and our serving him is most important than anything here on earth. Towards the end of Mrs. Pat's life here, I read to

Nancy, and The Bull, with Lou and Sonya Paradiso (Lou is the pastor at Temple Baptist Church)

her the entire scripture of 1 Corinthians 15. I'm not sure if she was even able to hear, however we continued to pray every day for Mrs. Pat's healing and as we know she is completely healed now and with our Lord and Savior.

God Bless you and thank you for being such wonderful friends.

God Bless you,  
John, David, Tammy and the entire Baskin Family

Bull,

Thanks to you and Nancy and for all the many ways you serve and support FCA! You are such a blessing to me personally and to everyone involved with FCA. We appreciate the continued special support through the Pop Andrews Gold Tournament. It was another great year!
